Number of courses students enroll in:

Grade 8:

- 6 or 7 core courses
- 1 or 2 elective blocks (some electives are half a year, so they take up to four half year electives or two full year electives)

Grade 9:

- 5 core courses
- 3 elective blocks (same as above; the reason for the extra elective block is that French is optional starting at grade 9. Students in French Immersion, one of their elective blocks is in French, so no choice there.)
