May 20: Victoria Day - No School

Jun 10-21*: Farewell activities at schools and with host families

Jun 26: Program end date

Jun 27-29: Mandatory departure dates

**Dates vary by community*

RMISP students shine in Mean Girls

Four international students performed in Selkirk Secondary School's production of the musical *Mean Girls* in April. Jette and Luise (from Germany) and Sophie (from Ecuador) contributed to the show's success as supporting cast members. Luna, from Spain, starred in a lead role and reflects fondly on the experience:

I got to explore all these different sides of my personality and grow a lot as both a person and a performer, next to a bunch of incredible people.

Keep an eye out for our interview with Director Sven Heyde and cast members coming in May on our YouTube channel: [@RockyMountainISP](https://www.youtube.com/channel/UCRockyMountainISP).

Revelstoke students Ben and Klaas were invited on the ice to play a game of Tic-Tac-Toe during a break in the NHL game.

Once-in-a-lifetime experience at NHL game

An overnight trip to Calgary to attend a National Hockey League (NHL) game was the highlight of this semester's included program activities for many of the 120 students who attended. The group was upgraded to prime seats in the lower bowl, close up to all the action as the Calgary Flames defeated the Arizona Coyotes 6-5.

The Flames mascot Harvey the Hound posed for photos with several of our students, others were spotted on the JumboTron, and at least six more got their hands on free Flames t-shirts tossed into the crowd. But few experiences compare to that of Ben and Klaas, who got to shoot some pucks on the ice in a variation of Tic Tac Toe during an intermission.

Read more about the trip, watch a video, and view all the photos at: www.rminternational.ca/about/school-news.
