

ROCKY MOUNTAIN

International Student Program

**Elevate your
education here**

I absolutely loved my stay in Rocky Mountain – it was filled with adventure and memories for a lifetime. I met so many interesting people, made amazing friends and found a second family. Living in Canada taught me a lot about myself and what I can do on my own.

Cranbrook is BC's sunniest city!

RMISP communities are home to some of the best outdoor recreation in North America. We excel in adventure sports like mountain biking, river rafting, hiking, kayaking, fishing and rock climbing. As one of Canada's top golf destinations and with six world-class ski resorts featuring diverse terrain and reliable, powder-filled winters, RMISP is your ultimate year-round playground!

Our schools are dedicated to academic excellence and offer a well-rounded education that prepares students to succeed. Our rigorous curriculum is designed to challenge our students to explore diverse interests, develop critical thinking skills, and cultivate lifelong learning.

EXPLORE OUR
SCHOOLS +
COMMUNITIES

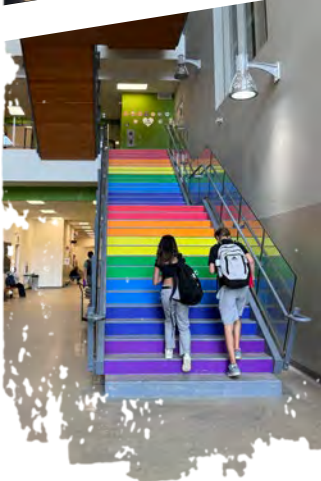

RMISP is a great organization because we do a lot of program trips where we meet new people and see beautiful places. Here, all people are very nice and friendly, especially my host family. They are very kind and help me wherever they can.

Tillmann, Germany

IN-SCHOOL SUPPORT

Weekly student meetings, fun in-school activities, and ongoing guidance create a strong support system throughout your stay.

Think outside the classroom

The RMISP activity program is designed to help you experience the best of our beautiful natural surroundings while building lasting friendships. With two activities offered every month, our goal is to help students create unforgettable memories of their time in Canada!

CANADIAN ADVENTURES

Enjoy a variety of included program activities and trips—at no extra cost!

JUMP RIGHT IN

Start strong with an exciting new student orientation and welcome activities.

DISCOVER VANCOUVER + CALGARY

Join our optional trips to Calgary (October) and Vancouver (March). Visit all the city highlights! Includes some admissions, meals and activities. *Additional fees apply.*

RMISP is the best international program ever. There were many cool program activities during the year and it was so much fun.

Ginn, Thailand

EXPLORE OUR ACTIVITIES! ▼

With my host family I went camping, hiking, for bike rides and to the pool and lake. We did a lot of fun stuff and I am very happy that I got to stay with this family.

Marc, Spain

Your dedicated support team

EXPERIENCE CANADA WITH A CARING HOST FAMILY

Immerse yourself in Canadian culture by living with a welcoming host family. RMISP carefully selects families who offer a safe and supportive home environment. All hosts provide students a private bedroom, daily meals, and a warm, caring, English-speaking home environment. Our host families play a vital role in enriching your student experience!

PERSONALIZED CARE

Local Homestay Coordinators build positive and trusting relationships with both students and host families.

QUALITY PROGRAM MANAGEMENT

With decades of experience, our team ensures you are safe, well cared for and will have an unforgettable time with RMISP!
